Nairobi, Kenya | +254727303939 | [kennedymbithi20@gmail.com](mailto:kennedymbithi20@gmail.com) | <https://www.linkedin.com/in/kennedy-mbithi-18070826a>

### Education

#### Free Code Camp Bootcamp

Completed Software Development certification program, which included projects on responsive web design, JavaScript algorithms and data structures, front-end libraries, data visualization, APIs, and scientific Computing.

### OBJECTIVES

---

To obtain a junior front-end developer position where I can utilize my skills in web development and my experience with Free-Code Camp to create responsive, visually appealing websites.

### Experience

- Streamlined website development by implementing efficient coding practices and reducing page load times by 35% through optimization of image sizes and caching techniques.
- Collaborated with cross-functional teams to design and develop a custom e-commerce platform, resulting in a 40% increase in online sales within the first year of launch.
- Utilized JavaScript frameworks such as React and Typescript to build interactive user interfaces for web applications, resulting in an increase in customer engagement by 25%.
- Developed and deployed a responsive website for a local business, increasing their online presence and attracting 20% more customers within the first month of launch.
- Utilized React to create and deploy an interactive quiz app, achieving over 1000 downloads within the first week of launch and receiving 5-star reviews from users.

### SKILLS

---

- Proficient in HTML, CSS, and JavaScript
- Experience with jQuery and React
- Familiarity with version control using Git and GitHub
- Strong attention to detail and ability to work in a team environment

- Excellent problem-solving and analytical skills

## PROJECT

- Created a responsive personal portfolio website using HTML, CSS, and JavaScript
- Developed a 3d portfolio using react
- Built an e-commerce site for shopping
- Developed social-media website using typescript
